Information

Course Objectives:

The major objective of this course is to prepare attendees for the ABIM Subspecialty Board Examination in Nephrology (Certification/Re-Certification). We will convey **state-of-the-art** information on the pathophysiology, diagnosis and management of renal disorders. The major issues of fluid and electrolyte problems, hypertension, renal disease and the management of acute and chronic renal failure will be addressed. Many outstanding clinicians and teachers have been chosen as course instructors. The program will consist of **daily lectures**, **"meet the professor" luncheons** and **intensive board review sessions** covering the most important topics in nephrology. Throughout the course we will emphasize the practical application of physiological principles to the understanding and management of clinical problems. The course should be most valuable for clinical and academic nephrologists, nephrology trainees and internists, pediatricians and primary care physicians with an interest in nephrology and hypertension. **This course should be an excellent intensive board review for those registered to take the nephrology boards and a comprehensive update for those seeking recertification.**

Special Features:

- Special Reduced Trainee Hotel Rate - \$119/night
- Special Reduced Trainee Tuition Rate - \$695
- Keynote Dinner & Lecture *presented by Barry M. Brenner, MD*, Editor *"The Kidney"*, Samuel A. Levine Distinguished Professor of Medicine, Harvard Medical School and Director Emeritus, Renal Division, Brigham & Women's Hospital, Boston
- Board Emphasis - Daily Board Exam Practice Sessions with ARS
- Plan Ahead, Attend Annually and Receive Same Reduced Trainee Hotel Room Rates at The Fairmont Copley Plaza in Boston Now thru 2012!
- Special Discount Price for CME Info Self-Study CD/DVD/MP3 Package (2011 Live Renal Course Recordings) *Offered Only Onsite to Live Course Attendees*

At the conclusion of this course, participants will be able to:

- Understand current pathophysiological mechanisms of renal disease
- Discuss differential diagnosis of complex clinical presentations of patients with renal disorders
- Identify therapeutic options for specific renal disorders
- Review renal pathology relevant to both the nephrology boards and clinical practice
- Understand pathophysiology and discuss the management of clinical problems in transplant patients

Accreditation:

Harvard Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Harvard Medical School designates this live activity for a maximum of the following *AMA PRA Category 1 Credits™*. Course Only - 51.25, Course with Luncheons - 59. Physicians should only claim credit commensurate with the extent of their participation in the activity.
